

The 7-Day Power Foods Quick-Start

Your free companion guide to The Encyclopedia of Power Foods

Placeholder bonus - replace this PDF with your final guide before going live.

Day 1 - Energy

Add sweet potato or oats at breakfast for slow, steady fuel.

Day 2 - Digestion

Sip warm ginger or fennel tea; favour cooked over raw foods.

Day 3 - Sleep

Try red dates (jujube) or a small handful of walnuts in the evening.

Day 4 - Focus

Add walnuts, black sesame or blueberries to clear the fog.

Day 5 - Immunity

Cook with garlic, mushrooms and a little fresh ginger.

Day 6 - Calm

Wind down with green tea, chrysanthemum or fresh mint.

Day 7 - Review

Keep the 2-3 foods that made you feel best. Build from there.

Tip: small, steady changes beat big ones you cannot keep.
